Englands Buried in Chicago

Their former home, Chicago, is the final resting place of Mr. and Mrs. Arthur Ellsworth England, 3634 W. 177th St., who died last Thursday in a murder-suicide.

The bodies of England, 37, and his wife, Mary, 31, were found in their bedroom Thursday by her brother. Apparently, police said, England had shot his wife then turned a high-powered World War II Mauser rifle on himself.

Private services for England were held Monday at Halverson-Leavell Mortuary, with cremation at Pacific Crest Cemetery. The cremated remains were sent to Woodlawn Cemetery, Chicago, for burial. Final rites and burial for Mrs. England were in Chicago, the couple's former home. They had lived here four years. A native of New Jersey, he was employed at Northrup Aircraft. Friends reported that England had been highly nervous for some time before the incident.

The couple are survived by their two children, Timothy and Melisa. Mrs. England also leaves two brothers, Leonard

Scouts' Honor Saved

Editor, Torrance Herald: I would like to send on to you my appreciation for the manner in which your paper handled the unfortunate incident of two Boy Scout uniforms holding up a couple in a Torrance parking lot.

The use of the word "masquerading" left no doubt that and Frank Jackola; sister, Mrs. Sylvia Workinger, Milwaukee; and mother, Hilda Jackola, Chicago. He leaves two brothers, Bruce and Bill.

the boys were those other than members of the Boy Scout movement. We recognize that this story could have been handled in a way that would have indicated that Boy Scouts actually were involved. Thank you again. JOHN H. WALGREN, District Scout Executive

Optimist Club Hear Torrance Police Officer

Officer A. L. Jackson of the Torrance police department explained the fundamentals of the annual Car Club 500 at the weekly meeting of the Torrance Optimist Club last Monday evening. The contest is sponsored by the peace officers of Los Angeles County and winds up with 10 young men getting trips to the Indianapolis Memorial Day race each year. Two Torrance boys have won the trip in past years.

Jackson, who is advisor to the Torrance Council of Car Clubs, also explained the youth safety film run to Las Vegas and showed films of the 1957 event. The film, made by Richfield Oil Co., sponsors of the event, has been made available to the Los Angeles County coordinating council of car clubs, Jackson said.

The club will meet tomorrow night at the Palms. President Harold Massie will convene the dinner meeting at 7 p.m.

A ladies night program is being planned for Dec. 16, according to David Figueroa, program chairman.

Extension of Felbar Ave. Not Planned

There are no current plans for extending Felbar Ave. south of the Edison and North High School site, City Manager George Stevens informed the Torrance School Board Tuesday night.

However, Stevens reported, there was a possibility an access could be obtained across the Edison Co. right-of-way to allow children living southwest of the school a direct access. At the present time, these children have to walk to school by a roundabout way, due to the lack of streets.

The educators had inquired about plans for a street, which was discussed several years ago when a subdivision was planned in the area.
